PROFESSIONAL SUMMARY

Data professional with hands-on experience in GIS, spatial analysis, and environmental data research. Proficient in R, Python, and iNaturalist for geospatial and statistical work; experienced supporting nonprofit and academic research projects, including collaboration with the United Nations CIFAL. Additional background in HIPAA-compliant data handling, operations management, and cross-sector outreach coordination.

EXPERIENCE

Sales Associate June 2025 – June 2026
Goodyear Tire & Rubber Co. *Boston, MA*
- Managed inventory and daily operations across multiple store locations to ensure accuracy and efficiency.
- Supported audit compliance initiatives and communicated automotive solutions to customers.
- Assisted management in maintaining operational standards across locations.

Assistant Manager Sep. 2023 – June 2024
GameStop *Boston, MA*
- Promoted to Assistant Manager within two months of joining the organization.
- Oversaw store operations, inventory management, and staff training to support daily performance.
- Supported multi-store compliance initiatives with a focus on efficiency and customer service.

Environmental Data Analyst Intern Mar. 2023 – July 2023
Chaminade University of Honolulu *Honolulu, HI*
- Analyzed recidivism trends using R with CSV datasets on prison return rates, extracting key variables from data frames to identify risk factors.
- Developed data-driven insights on post-incarceration recovery programs and delivered findings to the course instructor and the Dean of the college's Data Science programs.
- Collaborated with academic teams to translate analytical findings into practical interventions supporting long-term reintegration.

Criminal Justice Intern Dec. 2022 – Sep. 2023
Chaminade University of Honolulu *Honolulu, HI*
- Supported the Vice Provost on reintegration initiatives for formerly incarcerated individuals.
- Coordinated outreach with educational and nonprofit partners to expand program reach.
- Contributed to program development, life skills training, and long-term project planning.

Data Entry Clerk Feb. 2023 – Mar. 2023
Project Vision Hawaii *Honolulu, HI*
- Managed confidential medical records in compliance with HIPAA regulations.
- Performed data entry and supported provider communication in a remote healthcare environment.
- Coordinated outreach with educational and nonprofit partners to support organizational goals.

PROJECTS

GIS Data Analyst Program Sep. 2024 – Oct. 2024
United Nations CIFAL / Chaminade University of Honolulu
- Conducted spatial analysis of the blue Hawaiian hibiscus, an endangered species, using R (ggplot) and iNaturalist data.
- Produced island-by-island population distribution maps with scatter plots and interactive visualizations showing reported occurrences across Hawaii.
- Presented findings to UN stakeholders.

Blockchain Data Entrepreneurship Program Feb. 2025 – Apr. 2025
Chaminade University of Honolulu
- Completed a paid internship program applying blockchain and data concepts to social challenges aligned with UN Sustainable Development Goals, including poverty, healthcare, climate, and inequality.
- Studied decentralized ledger technology and its applications for making data, transactions, and credentials more transparent and verifiable.
- Applied datapreneurship principles: identifying a problem, collecting and analyzing data, and developing data-driven solutions into sustainable products or services.

CERTIFICATIONS

- GIS Sustainability and Resilience, Chaminade University of Honolulu (Oct. 2024)
- Ethical Hacking Certification, Programming Hub (Nov. 2023)
- HIPAA, OSHA, PPE, BBP Certified, MedTrainer (Feb. 2023)

SKILLS

Technical: Data Analysis (R, Python), GIS and Spatial Analysis, ggplot2 and Interactive Visualization, iNaturalist, Microsoft Excel, HIPAA-Compliant Data Handling, Blockchain and Decentralized Ledger Technology, Inventory and Operations Management, CRM and Point-of-Sale (POS) Systems

Professional: Research and Data Reporting, Project Coordination, Cross-sector Outreach, Team Leadership and Training, Attention to Detail

EDUCATION

Chaminade University of Honolulu

Bachelor of Science, Data Science Analytics and Visualization. *Expected 2028*

Chaminade University of Honolulu

Associate of Arts, Business Administration. *Sep. 2023*

Chaminade University of Honolulu

Certificate, Computer Science.
